Data Note: The Workforce Preparation Index™ (WFPI), Industry Employment Index™ (IEI), and Workforce Occupation Index™ (WOI) indicate concentration relative to a national average of 100. Occupation and skill estimates are based on the national industry average. Occupation employment is calculated based on the Total Industry Employment minus the Unclassified Occupation Employment. Both Skill and Workforce Preparation estimates are based on the Total Industry Employment minus the Unclassified Skill Employment. *Geometric retrieval, block group, census tract, and county reports show county level poverty, wage, education and insurance data. State reports show state level poverty, wage, education and insurance data.
